What is being applied for (tick as applicable).

I am applying for access to view my health records	
I am applying for copies of my health record	

You do not have to give a reason for applying for access to your health records. However, to help the Practice save time and resources, it would be helpful if you could provide details below, informing us of periods and elements of your health records you require, along with details which you may feel have relevance i.e. consultant name, location, written diagnosis and reports etc. Please use the space on the following page to document this information:

Dates and types of records:

(Continue on a separate sheet if necessary)

Please tick the appropriate box identifying whether you or a representative on your behalf is applying for access.

I am applying to access my health records	
I have instructed my authorised representative to apply on my behalf
